FROZEN  
YOGURT  
WITH  
POACHED  
PEACHES  
P. 84

**PIONEER WOMEN**

Opposite page:  
"We were frustrated  
being in windowless  
Brooklyn studios,"  
says artist Francesca  
Delfino, far left. So  
she and her husband,  
artist Carl Waller,  
bought a ranch  
house near Hudson  
and spray-painted it  
silver. Lured by what  
she describes as  
"the magic and the  
history" of Hudson,  
musician Melissa  
Auf der Maur (shown  
with daughter River,  
near left) trans-  
formed a factory  
into the arts center  
Basics Hudson.
