THE MOMENT; One With Nature

By SAMEER REDDY
Published: January 3, 2010

WITH his latest show, "Birth in Futurverse," at the Schlechtriem Brothers Gallery in Berlin, the photographer David Benjamin Sherry has moved into a more personal realm. Many of the photos on display feature Mr. Sherry, a graduate of Yale's M.F.A. program who is known for his forays into fashion photography, in surreal tableaux that collapse the boundaries between nature and the human body. For example, "Self Portrait as The Born Feeling Begins," center right, conjures Mr. Sherry as emerging from the primordial muck, whereas his blue boy portrait is best left unremarked upon. "Birth in Futurverse" runs through Feb. 20. SAMEER REDDY
