# Art Crawl: David Benjamin Sherry

By STEFAN MAROLACHAKIS

Photographed by Curtis Kulig

**WHO:** David Benjamin Sherry

**WHAT HE DOES:** Photography, sculpture and collage

**WHERE HE'S BEEN:** The National Parks of Montana, which inspired him to explore "the Earth and the formation of the land, and how that relates to the human makeup."

**WHAT'S ON HIS MIND:** He's assembling a new body of work, which has led him to consider "soul and color, pattern and illusion, dark and light, fantasy and legend, dreams and nightmares, demons and angels, the American landscape and sex."

**NEXT UP:** He's a part of group shows in New York, Rome, Virginia and Paris, and he aims to have a new book out in the coming year.

**WHAT HE WEARS:** A vintage T-shirt and jeans by Aviatic.

History Detectives  
 really killed is last  
 night. Canes and  
 telescopes with  
 insane backgrounds.  
 Good job
